

Genuine Renewal Parts

Genuine Renewal Parts for Rockwell Automation Brand Products Can Help Lower your Company's MRO Asset Costs and Improve Productivity

Your Best Assurance of Dependable Equipment Performance

There is no better choice than genuine factory replacement parts for your Allen-Bradley and Reliance Electric equipment. These parts are performance matched to our equipment to provide the ultimate in service life and equipment functionality. With equipment downtime costs ranging from hundreds, to thousands of dollars per hour, our complete parts support eliminates the possibility of placing your facilities productivity at risk with less than a genuine renewal part.

Available Around-the-Corner, or Around-the-World

Our global network of parts centers and distributor partners carries an in-depth inventory of parts for Allen-Bradley and Reliance Electric equipment. They are strategically located to ensure the replacement parts and support you need are readily available.

We Never Close

The Rockwell Automation parts network is open all day, every day all year. We are available to meet your needs no matter where you are, or the time of day you need us.

On-Line Ordering

With our on-line ordering system, your Rockwell Automation parts center or distributor partner can check the availability of, and then order any replacement part, with just a few simple keystrokes.

Emergency "Hot Line"

Rockwell Automation offers emergency after-hours parts service to better serve our customer base. Our emergency after-hours parts support team provides Rockwell Automation customers with expedient parts support which is staffed around the clock. If you or your customers are in need of after-hours support, please contact our toll-free number at 1-800-422-4913.

For more information

If you would like to learn more about our Renewal Parts Program, please contact your local Allen-Bradley or Reliance Electric Authorized Distributor, or Rockwell Automation Sales/Support Office, or check our web site at www.rockwellautomation.com/services.
